THE FUNNIEST...

PART OF THE RED NOSE DAY THEMED PROGRAMME

▶▶ GETTING INTO THE ACTIVITY

Red Nose Day is all about raising money whilst getting people smiling and laughing. Have a go at trying to make others laugh with a silly game of 'The Funniest...'

The aim of this game is to try and make other people laugh by telling jokes, making silly noises, doing funny dances/walks/faces and just being as silly and funny as you possibly can.

Split the game into categories. Call out a category and then ask the group who would like to volunteer to have a go at making people laugh for that topic. Make sure you give time for each person who wants to have a go, to have their turn for that category. You could play this just for fun or you could award points for the person/people who make the rest of the group laugh the most.

Categories could include: Funniest joke, silly face, noise, dance, walk, song, fart impression (it's all about being silly!) and so on. We've included a few jokes to get you started on the attached sheet.

If played successfully, then by the end of the game everyone's ribs should be hurting from laughing so much. Have fun!

- The Funniest... Joke Sheet

! KEEPING EVERYONE SAFE

Encourage all the group to have a go at each category, but be conscious that not all children may want to have a turn on some categories - that's ok. Where a category requires children to move about, please make sure they check their surroundings and have plenty of space.
