## ▶▶ GETTING INTO THE ACTIVITY

Brands and products are everywhere, but how much attention do you pay to them? Take on the A-Z of brands quiz and see how good your brand knowledge is.

Spend some time looking at the A-Z of brands quiz in the attached PowerPoint/PDF. On each slide there are 6 brands, however you can only see the first letter. Can you work out the brand or product based on that one letter? How many can you guess correctly? Once completed, challenge a family member to do the quiz and see if they can beat you.

**Take it further:** Create your own A-Z quiz, using different brands and products of the alphabet. Once created, show the quiz to a family member to see how many they can get. Alternatively share it with your BB group and see how they get on.

Share your A-Z quiz with your BB group or post on social media using #BBatHOME.
