## ▶▶ GETTING INTO THE ACTIVITY

**Preparation:** Young people should have the ingredient list provided to them the week before, so they can have everything ready for the virtual session.

- 1) Melt the chocolate in a microwave in short bursts, making sure to stir in between and checking that it doesn't burn.
- 2) Add the puffed rice cereal, popcorn and marshmallows to the melted chocolate and mix well.
- 3) Transfer the mixture into a lined baking tray (lined with parchment paper, cling film etc) and press down firmly to bring the mixture together. Add the smarties / M&M's on top for decoration and to add colour. Place in the fridge and leave to set for at least an hour.
