FILM EMOJI QUIZ

PART OF THE NIGHT AT THE MOVIES THEMED PROGRAMME

➤ GETTING INTO THE ACTIVITY

Emojis are used everyday to help people to communicate. Can the group use the emoji clues in this quiz to identify the different films?

Download the film emoji quiz PowerPoint and share this via screenshare. On each slide there are emoji clues which relate to well-known films. Some clues describe the film plot and other clues create the film title. Go through each slide and try to work out each film. How many will you guess correctly?

Individual: Each person plays individually and writes down their answers before going through the answers at the end and totalling up the points.

Teams: Head into breakout rooms and discuss the answers as teams. Come back together after a short while and go through the answers. Which team got the most correct?

Take it further: Create your own version of the film emoji quiz. This could be done in breakout rooms, with the groups creating one or two emoji clues and then testing them out on the other groups after 10 minutes.
