

# ORIGAMI SUNGLASSES

GET CREATIVE

10 MINUTES

IN THE CUPBOARD

## GETTING INTO THE ACTIVITY

Create some cool looking sunglasses by using origami skills.

For this activity you'll need a sheet of A4 paper or card. If you have coloured paper/card, then this would work best, but if not then you can decorate the glasses afterwards

Follow the video tutorial on how to create your origami sunglasses. The video can be found at <https://vimeo.com/508445971>. Pause the video after each fold, to allow you to complete the step, before moving on to the next fold.

Once complete, feel free to decorate the glasses using colouring pens, craft materials etc.

Take a photo of your origami sunglasses and send it to your BB group or post on social media using #BBatHOME.
