ORIGAMI SUNGLASSES

▶▶ GETTING INTO THE ACTIVITY

Create some cool looking sunglasses from just a sheet of paper, using origami skills.

For this activity each child will need a sheet of A4 paper or card. If you have coloured paper/card, then this would work best, but if not then you can decorate the glasses afterwards to make them colourful.

To create the origami sunglasses share the tutorial video using screenshare. Make sure to tick the 'share sound' button too. Follow the video tutorial and pause the video after each fold, to allow the group to complete each step, before moving on to the next fold.

Once complete children could decorate the glasses using colouring pens, craft materials etc. Get a group photo of the children wearing their origami sunglasses and share it on your social media page.
