

JESUS CHANGED EVERYTHING

▶▶ GETTING INTO THE ACTIVITY

An Easter Devotional featuring Dez Johnston from Alpha Scotland who shares some thoughts about the impact of lockdown, how our lives have changed and how Jesus changed everything when he died on a cross some 2000 years ago.

Watch 'Jesus Changed Everything' - <https://vimeo.com/522817055> - then spend some time thinking about the following questions:

- What is the strangest everyday thing the disciples saw Jesus do?
- What have you missed most during lockdown?
- Do you want everything to go back to the way they were before, or do you want some changes?
- What do you think has changed about you during 2020/21?
- If you could change one thing today (about yourself) to be more like Jesus, what would that be?
- Are you willing to change to see more of God?

A lot has changed over the last year as a result of the pandemic, but as we find hope by coming out of lockdown, remember that we can also always find hope in Jesus. Jesus changed everything for us by dying on a cross. Everything changed for the disciples, they saw their friend arrested, beaten and put on a cross, they thought they had lost their leader, but 3 days later Jesus came back. Jesus is our hope, our guide, our chance to live life to the full!

What will you change this Easter to come closer to Jesus and have a relationship with him? Finish by praying for those changes and for opportunities to use those changes.
