OUR COMMUNITY HERO

➤ GETTING INTO THE ACTIVITY

Recognise the community heroes in your local area, who have gone above and beyond to make a difference.

Our communities are full of people who quietly go the extra mile to make a positive difference to the people around them. They often do this with little or no recognition for the work that they do. Let's change that!

As a group, have a chat about people in your community who might deserve the title of your 'Community Hero'. Discuss the ways they make a difference and why they deserve to be your hero. This might be a great opportunity to recognise work done during the last year of COVID restrictions. After discussing, hold a vote to decide which person your group would like to make your 'Community Hero'.

Now think about how you'd like to celebrate and congratulate that person for all their work. This might be in the form of a letter, certificate, gift or so on. Spend some time putting together a letter/video to send to your community hero, explaining why you chose them and why they deserve recognition for their work. Finally think about how you could present or deliver this. Could you send a report to your local newspaper to help get even more recognition for your community hero?
