WHERE'S THE GOLF BALL?

PART OF THE GOLF THEMED PROGRAMME

GETTING INTO THE ACTIVITY

A fun yet frustrating challenge to find the golf ball in these action shot photos of golfers. Whose guess will come the closest?

Download the 'Where's the Golf Ball' PowerPoint and share this in your meeting space or using screenshare. Show the first image and then ask those playing to guess where they think the golf ball is. This can be done in one of the following ways.

Face-to-Face: Project the image onto a large wall or similar. Give each person a post-it note with their name on (or small sticker if using a smaller wall/screen). Each person should stick their post-it note where they think the ball is.

Virtual: Use the annotate function to draw crosses on the screen. Encourage everyone to use a different coloured pen or use the first letter of their name as the cross.

Scoring: The person who guesses closest to the correct answer wins each round. You could award different value points for those 1st, 2nd, 3rd, 4th closest and so on. Keep a tally of the scores and the person with the most points at the end wins.
