WORLD GAMES

PART OF THE AROUND THE WORLD THEMED PROGRAMME

➔ GETTING INTO THE ACTIVITY

Use a globe to complete different challenges and games.

Balance the World: Split into teams and give each team a globe and toilet plunger (clean)/ masher / spatula or similar which they can balance the globe on. In turns, children should hold the object in front of them and balance the globe on it. Complete a lap of the room / an obstacle course, before passing it onto the next team member. The first team to complete the course is the winners.

Find Me: Each team should have a globe. Call out a country and the teams must find that country on the globe. The quickest team gets a point each time. To help with social distancing, one person from each team could be nominated for each round. Instead of calling out countries you could give out clues (i.e birth place of Ronaldo, home of pizza etc).

Country Hot Potato: Stand in a circle. The first person starts with the globe. They must find a country beginning with A and point to it on the globe. They can then throw the globe to someone else who must find a country beginning with B within 10 seconds (children can do a loud countdown to add pressure). Points should be given to those people who can find a country within their 10 second countdown. Continue through the alphabet.

☑️ WHAT YOU'LL NEED
