IN GOD'S HANDS

▶▶ GETTING INTO THE ACTIVITY

A look at how in God's hands, we can be changed into something new. When we let ourselves be in God's hand, he moulds us to be more like Jesus.

Give each child a ball of playdough. Set them a series of challenges to create different things from the playdough. (i.e. a flower, animal, car, alien, house etc). After each round ask the children to share their creation. Then ask them to use the same playdough to create the next challenge.

Ask the children if they can remember all the different objects they have created with the playdough. How impressive is it that that one ball of dough can be changed from one thing into another so easily?

Did you know, we can be changed too. God wants to shape and change us from people who don't always do the right thing to people that love God and live their lives in a way that is good and pleases him. God wants to make you into a beautiful new creation. God knows what he has planned for you and is ready to create wonderful things with you - how exciting is that!

'In Christ Jesus, God made us new people so that we would do good works.' Ephesians 2:10

Virtual: Ask children to bring their own playdough to the call. Alternatively ask them to use Lego or similar instead.
