GETTING INTO THE ACTIVITY

Become a doughnut designer and create the perfect doughnut.

Get creative with doughnuts, using one, or both, of the activities below.

Ringed Doughnuts: Place a ringed doughnut on a plate and design it how you think is best. To design a doughnut firstly cover it in icing. Once iced, consider adding sprinkles or sweets to add colour and patterns. Allow to set and then enjoy!

Activity Sheet: Design the perfect doughnut on paper. Print a copy of the 'Doughnut Designers' activity sheet (or create your own) and use colouring pens and/or craft materials (glitter, pop-poms, tissue paper etc) to design your doughnut.

Encourage family members to also design a doughnut and then spend some time looking at each other's designs or tasting their creations.
