GET CREATIVE

15 MINUTES

PREPARATION NEEDED

DOUGHNUT DESIGNERS

PART OF THE DOUGHNUT THEMED PROGRAMME

▶▶ GETTING INTO THE ACTIVITY

Become a doughnut designer and create the perfect doughnut.

Use one, or both, of the activities below to give children an opportunity to get creative with doughnuts.

Ringed Doughnuts: Give each child a ringed doughnut on a paper plate and allow them to design it how they think is best. To design a doughnut, children can firstly cover it in icing. Once iced, consider adding sprinkles or sweets to add colour and patterns. Allow to set and then enjoy!

Activity Sheet: Design the perfect doughnut on paper instead. Each child will need a copy of the 'Doughnut Designers' activity sheet and some colouring pens and/or craft materials (glitter, pop-poms, tissue paper etc). Allow children time to design their doughnut.

After creating / designing the perfect doughnut, you could then hold a mini competition for the most creative design. Have a small prize for the winner.

Virtual: Send out the activity sheet beforehand or email for parents/carers to print. Children can design the doughnut during the call and share their progress. Alternatively share a page of blank doughnuts (one for each person) via screenshare and children can use the annotate function to decorate their doughnut on the screen.
