EURO FOOTBALL SHIRTS

PART OF THE EURO 2020 THEMED PROGRAMME

GETTING INTO THE ACTIVITY

24 teams will be competing in Euro 2020 (now taking place from 11th June to 11th July 2021), all wearing their unique national shirt and colours. Can you correctly match the football shirts to the countries?

Download and print the 'Euro Football Shirts' activity sheet. Cut the shirts and country names into individual cards (creating 24 shirts and 24 country names).

Lay out the football shirts and the country names onto a table and as a group work through them trying to match the shirts and countries together. Some may be obvious, but some team's shirts look very similar so be careful not to be caught out!

This activity works best if you split into small groups, with each group having their own set of football shirts to sort through. This allows for competition between the groups. Allow time for the groups to complete the activity and then ask a leader to go through the answers (on the answer sheet). The group with the most correct matches win.

Virtual: A leader should have the cards prepared at home. Use a second device (i.e mobile phone) to show the cards and move them around as the group say to. Use breakout rooms to allow multiple teams.
