GETTING INTO THE ACTIVITY

What happens after the final whistle? What determines our final score to God?

During a football game, teams battle it out for 90 minutes to be the winners. During that time a lot happens. Goals are scored, tackles are made and goalkeepers make brilliant saves. However, after 90 minutes there is a final score. A winner and a loser (or just a draw!). Nothing more can be done and players have hopefully given everything they have on the pitch.

There will come a time in our lives that we reach the 'final whistle' or the end of our '90 minutes'. But what will determine your 'final score' to God? It won't be about how many times you attended Church, how many people you were nice to or how few people you upset. The only thing that will truly matter is if you have accepted Jesus Christ into your life. There isn't a golden trophy awaiting us at the end of our time on earth, but instead the glory of Heaven. At some point, if not already, you'll need to make a decision on if you want to let Jesus in. Finish in prayer, praying for help and guidance as we make that decision.

'Just as everyone must die once and then be judged, so Christ was offered as a sacrifice one time to take away the sins of many people. And he will come a second time, not to offer himself for sin, but to bring salvation to those who are waiting for him.' Hebrews 9 v 27-28.
