

GET ADVENTUROUS

45 MINUTES

PREPARATION NEEDED

TRACKING

▶▶ GETTING INTO THE ACTIVITY

Be on the lookout for clues, as you try to follow the trail of another group who are hiding in the forest.

A large area with trees / bushes etc to hide behind and amongst is needed (i.e forest / woodland).

How to Play: Split into two teams with leader supervision for each team. The hiding team head off first, as they make their way to their hiding space, they must leave arrows (using twigs or chalk) on the floor to show the way they have gone. These arrows should be fairly visible, so the other group can follow the trail without getting lost. Once the hiding group are happy they should find a good spot to hide and place an 'X' on the floor somewhere close by, so the hunting group know that the trail has stopped.

The hunting group should wait a couple of minutes, before heading off to follow the trail and find the hiding team. If you lose the trail, re-trace your steps to the last arrow you found and then try again. Once found, swap roles with the hunting team now becoming the hiding team. Keep playing for a few times, continuing to swap roles.

This activity is part of the **Go Wild Challenge**, encouraging children to get outdoors and adventurous. Check out all the challenges and how to achieve Bronze, Silver and Gold awards by heading to <https://boys-brigade.org.uk/go-wild>

☑☑ WHAT YOU'LL NEED

- Twigs or Chalk

! KEEPING EVERYONE SAFE

Please maintain social distancing as required. Groups should be supervised by a leader. Please ensure the area you are using is safe and appropriate and any boundaries have been clearly identified to the group beforehand.
