Volunteer with us for Queen's Badge

How to use these resources...

The “BB The Change” campaign is a partnership between Boys’ Brigade Northern Ireland (BBNI) Company Section and Northern Ireland based charity Hope365 who rescue Street Kids in Ethiopia. We are delighted to be partnering for a second year. These resources have been designed to align with the six Programme Activity Areas.

We understand that the Covid-19 pandemic is still ongoing and at times this may mean pausing BB. We have created these resources with that in mind so they can be used for face-to-face and virtual sessions. Please ensure before you run any activity that you refer to the current Brigade and Government guidance for Covid-19. The resources are split into 3 main sections with the main section (Section 2) relating to a special full night of activities which can be planned for a suitable time in the Company diary.

SECTION 1

Section 1 is a 20 - 30 min Bible focus in preparation for Section 2 to help prepare the boys for the main night. It touches on some of the teaching of Jesus in The Sermon on the Mount and challenges us with regard to attitudes towards contemporary culture. It is a challenge to us all and raises the question - Would it be possible for the boys to be “the change they want to see in the world”? Only they can decide.

SECTION 2

The main focus of the campaign will be section 2 entitled: “BB the Change Big Night”. This will be an entire BB evening with a varied programme of activities and badge work which will help the boys compare their lives with the lives of Street Kids in Ethiopia. Accompanying resource videos and Powerpoint Presentations are available at: <https://boys-brigade.org.uk/northern-ireland-resources-downloads/>

There’s even an Ethiopian quiz for those who like to be competitive! The intention is that the boys will develop a new awareness of how fortunate they are to be living such comfortable lives. They will also be challenged to collectively help change the lives of more Street Kids by undertaking some badge work after the Big Night which will benefit their local community and at the same time raise funds for Hope365 to help them rescue more Street Kids.

SECTION 3

Section 3 comprises some additional Programme Activity Area ideas which link in with what the boys will have learnt from the Big Night.

There are very easy to organise forms of badge work. The boys will be proud of their smart enamel badges in the knowledge that what they have done will genuinely have made a huge difference to a Street Kid in Ethiopia.

If you would like a Hope365 presenter to come along to your Company to inspire the boys to help them to fully engage with the above activities then just ask. We would welcome the opportunity to come along to share about the challenges facing Street Kids in Ethiopia and tell some first hand stories. Contact details are on the back page.

SECTION 1. preparing for . . . the Big Night

GET INTO THE BIBLE

Preparatory Bible Study: Sermon on the Mount: Matthew chapters 5 - 7

Estimated Time 30 mins

What's needed: Data Projector
Downloaded Powerpoint presentation
Pens & Paper for each small group

Q. If there was one thing about your life that you could change what would it be?

Answers are likely to be frivolous - no school, no exams, more money etc

Q. If there was one thing in the world around you that you could change - what would it be?

May need some prompting - for suggestions regarding current affairs - hopefully some things about war or famine or climate change etc will come up

Tonight we'll be looking at some things that perhaps all of you here, would be able to change.

Tonight we are introducing a completely new campaign to BBNI called "BB the Change" and it's a play on the phrase "Be the change that you wish to see in the world"

Q. Has anyone ever heard of that Phrase - or know who made that phrase famous?

A. Mahatma Gandhi. Has anyone ever heard of him?

Well he was a very famous Indian Lawyer and became associated with another phrase "Non violent Resistance" which you may have heard more recently. He employed non-violent resistance to lead the successful campaign for India's independence from British Rule, and in turn inspired movements for civil rights and freedom across the world.

Q. Has anyone heard of Martin Luther King?

A. He was another civil rights leader who Gandhi inspired - and of course MLK was the man who led to the end of segregation of blacks and whites in America back in the 1960's. Indeed you may well have heard references to Martin Luther King in relation to the "Black Life's Matter" campaign.

But this phrase of "Being the change that you wish to see in the world" was actually inspired by someone that you definitely will have heard of: Jesus - and especially in his teachings in

Matthew 5-7 which are known as "The Sermon on the Mount" Now there's far too much in those 3 chapters of the Bible for us to cover and so we are just going to look at a few of the ways that Jesus' teaching in the Sermon on the Mount may challenge us in the way we think about things.

DISCUSSION GROUPS (break into small discussion groups to address the following 5 photos)

Allow each group 2 or 3 minutes to discuss each photo and then ask a spokesman to relay the groups thoughts)

Q. What do you feel when you see footage of George Floyd's arrest? (This led to the "Black Life's Matter" Campaign)

Q. What do you think Jesus would like to see changed?

RELEVANT SCRIPTURE: JUDGING OTHERS (Matt 5:39-40)

"But I tell you, do not resist an evil person. If anyone slaps you on the right cheek, turn to them the other cheek also. And if anyone wants to sue you and take your shirt, hand over your coat as well."

Jesus inspired Martin Luther King who was a Christian and a Pastor before leading the civil rights movement. These people actively protested by being beaten and refusing to fight back. Can you think of examples in your own lives when not reacting like this got you into trouble?

Q. What do you feel when you see this photo of a Bonfire?

Q. What do you think Jesus would like to see changed?

MURDER - ACTION OR THOUGHTS! (Matt 5:21-22)

"You have heard that it was said to the people long ago, 'You shall not murder, and anyone who murders will be subject to judgment.' But I tell you that anyone who is angry with a brother or sister will be subject to judgment."

Most of us are horrified at the thought of killing another human being. But Jesus challenges us about our thoughts. In the opening few verses of the Sermon on the Mount Jesus says "Blessed are the peacemakers" How do our thought lives align with this idea of being "peacemakers" even in the local communities where we live?

SECTION 1. preparing for . . . the Big Night (cont.)

Q. What do you feel when you see this photo of war in Aleppo, Syria?

Q. What do you think Jesus would like to see changed?

EFFECTS OF WAR (Matt: 5: 6-9)

"Blessed are those who hunger and thirst for righteousness, for they will be filled.

Blessed are the merciful, for they will be shown mercy.

Blessed are the pure in heart, for they will see God.

Blessed are the peacemakers, for they will be called children of God."

The wars all around the world sadden God's heart. As well as the casualties on the front line there are always so many more, as each individual involved has a family and friends who love them. Whether it's traditional war, gang feuds, sectarianism violence or hate crime - remember each person involved is loved by God and their family. Jesus asks us to show love to all people, even if we disagree with them or their actions.

Q. What do you feel when you see this photo of malnourished children in Africa?

Q. What do you think Jesus would like to see changed?

GIVE TO THE NEEDY (Matt 6:2-4)

"So when you give to the needy, do not announce it with trumpets, as the hypocrites do in the synagogues and on the streets, to be honoured by others. Truly I tell you, they have received their reward in full. But when you give to the needy, do not let your left hand know what your right hand is doing, so that your giving may be in secret."

Also - LOVE YOUR NEIGHBOUR AS YOURSELF (Matt 22: 37-39)

"Love the Lord your God with all your heart and with all your soul and with all your mind." This is the first and greatest commandment. And the second is like it: "Love your neighbour as yourself."

Who do you think Jesus is referring to as "your neighbour"? While in the first century it would have been impossible for people to know about the suffering of others in different, distant parts of the world - that's all changed today.

Do you think that the fact we are aware of the needs and struggles of people across the world means that we have a responsibility to help? If so, in what ways can we help?

Q. What do you feel when you see this photo of plastics pollution?

Q. What do you think Jesus would like to see changed?

EFFECTS OF POLLUTION (Psalm 24: 1-2)

"The earth is the Lord's, and everything in it, the world, and all who live in it; for he founded it on the seas and established it on the waters."

While not contained in the Sermon on the Mount, the Bible is clear that God created the world and right from the very start has asked us to look after it. Remember the first people, Adam & Eve were given the job of tending to the Garden of Eden.

FINAL SUMMARY (from leader)

No one person alone can change all these things we've looked at - i.e. change the world - no matter how much we would love to. However each one of us as individuals can change to become more like Jesus and what he teaches that we should be, so we will be able to improve that tiny part of the world that we have influence over.

What might that look like for each of the 5 principles raised in our group discussions?

- 1 Perhaps how we react when someone wrongs us - we don't look for ways to get revenge.
- 2 If we have negative feelings towards anyone of a different religion or ethnicity, we should remember that Jesus teaches that those feelings are as dangerous as actually harming them.
- 3 Can we try and make peace rather than stir up bad feelings - not just wars - but family life, racial awareness. People may not lose limbs as in war - but we can be badly emotionally scarred by harsh words and actions.
- 4 Can we start to realise how wealthy we all are? - how many things we have - when we compare with what so many people have around the world. If our friend who was next door had no food, we would give him some - what about our neighbours who live in other parts of the world and don't even have enough food to eat etc.
- 5 Jesus didn't teach specifically about this one - but the Bible does teach us that the world is God's and everything in it. We really need to try hard not to destroy it. What about the litter, the Big Mac boxes or Coke cans or bottles?

And if each one of us changes as individuals - then the result of that is much greater when we work together for something. And that's what we are going to be hearing about next week on our **"BB the Change night"**

SECTION 2

BBthe change

that you wish to see in the world

... the Big Night

Explain to the boys that tonight is a first ever Charity Campaign specially designed for BBNI. Remind them about what they learned from the Sermon on the Mount Bible study. Tell them that tonight's aim is that we think about how some of that can be put into action, in partnership with local charity Hope365, who work with Street Kids in Ethiopia. The focus of tonight is to learn about Street Kids and to compare their lives with ours and hopefully have some fun while we are doing it!

Play video 1.

GET LEARNING

INTRODUCING ETHIOPIA QUIZ

15 min

What's needed - Data Projector plus audio

Downloaded Powerpoint Quiz

Pens & paper for team quiz answers

Purpose: Introducing a very different country to N.I.

Divide the company into teams for a quiz about Ethiopia.

Open the Powerpoint entitled Quiz and ask the boys each of the 10 questions and ask them to write down their answers on the paper provided.

The final slide of the powerpoint has the answers so the winning team can be identified

GET LEARNING

INTRODUCING STREET KIDS

25 min

What's needed - Data Projector plus audio

Downloaded video presentations

Preparation based on previous Sermon on Mount session

Purpose: Meeting some Street Kids from Ethiopia

Play videos 2 & 3

Suggested discussion questions:

1. What shocked you the most about what you've just seen?
2. What part of having to live on the street do you think you would find most difficult/distressing?

GET ACTIVE

THE BLIND CHALLENGE

25 min

What's needed - Data Projector plus audio

Downloaded video presentation

Blindfold, chairs and a variety of obstacles, an object to find, a finishing box or bucket, stopwatch.

Purpose: the importance of team work to help others

Despite all the challenges facing these boys, at least they don't have any form of disability. However, just like in N.Ireland many children do suffer from a vast array of conditions which make living on the street even more challenging. This next video introduces you to one child for whom life on the street was even more challenging.

Play video 4

If you haven't done so already - set up an obstacle course with a ball positioned in a suitably challenging position and a bucket to put the ball into. Divide the Company into smaller sub teams and each team should nominate a member to be blindfolded. The other members of the team must work together by giving verbal instructions from their base to help the person negotiate the obstacle course - find the ball - and then to place it in the designated completion bucket.

Each team should be timed and the fastest to get the item into the bucket is the winner.

Please adhere to appropriate Health & Safety guidelines to avoid injury when completing the obstacle course.

After completion emphasise to the boys that again this is a form of outworking of what they learned from the Sermon on the Mount, working together to help someone who is in need. The other boys in the Hope365 Centre helped Bini find his way - until he memorised it! Perhaps ask them if they can think of any practical examples of how they could help others that they know who may have extra needs.

BBthe change

that you wish to see in the world . . . the Big Night

To improve our local community while raising funds for rescuing Street Kids in Ethiopia

Each Company will receive a special Hope365 certificate acknowledging the boys accomplishment.

SECTION 3. after . . . the Big Night

After the Big Night there is another very simple "Badge Work" activity which will help the boys to remember and value the comfort and prosperity we all enjoy here in N.Ireland when compared to the Street Kids of Ethiopia. They'll also then be able to wear the specially produced "Reuse Revolution Hope365 enable badge. It's also a reminder of the need for us all to be environmentally responsible by encouraging reuse of items and recycling to create a more sustainable future.

GET INVOLVED

CLOTHES COLLECTION

Let's face it, we all have far more clothes than we need!

Ask the boys to collect up as many unwanted clothes as possible from their friends and family. For children's clothes in good condition we may even be able to bring them directly to Ethiopia for the Street Kids. Of course it's not just boys clothes we need. We gladly accept all sorts of clothes: boys, girls, adults, even babies for resale in our charity shops. Even if they are not in re-selling condition we can recycle them for money and then buy clothes for the Street Kids.

As well as ordinary clothes we need 400 school uniforms each year for the pupils in our school in Ethiopia and so your old clothes can help finance that. Once all the clothes have been collected we would be delighted to send a van around to collect all of them from a suitable location. Alternatively we have a mobile donation trailer which can be booked in advance and we will deliver it and leave it at the hall or church for a few days or over a weekend to encourage as many people as possible to leave donation.

Simply email us on: info@hope365.life

Whatever their condition, we can use them

The clothes can be in any condition and even includes worn out and torn clothes including socks and underwear for males and females of all ages. Ideally if the clothes which are obviously not for re-sale in our shops could be placed in one bin liner and labelled accordingly, and all the rest placed into a separate binliners it would really help us.

We can never have too many clothes donations! As well as funding clothing they also help us to feed all the children in our care. As you can see from the graphics below every bag makes a HUGE difference.

Turning your OLD CLOTHES into NEW SCHOOL UNIFORMS

We love to receive:

- ✓ Clothes for resale
- ✓ Torn or worn out clothes
- ✓ Underwear/socks
- ✓ Shoes
- ✓ Handbags

Contact us if you'd like us to drop off our Mobile Donation Trailer to your BB hall or church for a night or a weekend

We would love to share images on our social media showing how the boys respond. Before we can publish any photos online we must have a signed parent/guardian permission slip (available from: <https://boys-brigade.org.uk/northern-ireland-resources-downloads/>). This can be photographed and sent to us.

SECTION 3. after . . . the Big Night

If you are unable to find the labels for the bottles which were supplied last year, contact BBHQ in the first instance, as a limited number are available from there. Alternatively photocopy, and trim the label below which will fit a bottle of "Oasis" juice

A Hope365 Visit?

If you think a personal visit from Hope365 staff would enhance the involvement of your Company with the "BB the Change" campaign, please don't hesitate to contact us and we will try to facilitate this on a first come first served basis. We are also available for any associated church services when we would be happy to share about the Street Kids who have seen their lives turned around.

Volunteering at Hope365 for your Queen's Badge Award

For boys of 16 or over, who are looking for volunteering opportunities as part of their Queen's Badge Award, Hope365 have charity shops in Ballyclare and Antrim. Simply follow this link (www.hope365.co.uk/charity-shops) and complete the volunteer application form.
