# GET INVOLVED: UKRAINE CRISIS APPEAL

THEME: HELPING OTHERS

## LEADER PREPARATION

The level of preparation will vary depending on the fundraising activity chosen.

## GETTING INTO THE ACTIVITY

The situation in Ukraine is a sad one. With us being miles away, we can feel quite helpless in our ability to make things better or do something useful to support those impacted. One way we can all make a difference is in helping to provide financial support to charities working in Ukraine giving support and aid.

Consider taking part in a fundraising activity to help raise money for the Red Cross Ukraine Crisis Appeal - <https://donate.redcross.org.uk/appeal/ukraine-crisis-appeal>. The appeal aims to raise money to help people access food, water, first aid, shelter, warm clothes and more.

**Non-Uniform Night:** Allow children and young people to come in casual clothes (i.e. no uniform) for an evening, in exchange for a small donation.

**Coffee Morning / Cake Sale:** Organise a coffee morning or cake sale at your Church or somewhere similar. This could be organised and delivered by the Company and / or Senior age group.

**Sponsored Challenge:** Children and young people could take on a sponsored challenge such as a walk, silence, sporting challenge, run etc.

**Collection Tin:** Have a collection tin at your meeting night for a week or two. Send out a message to parents / carers letting them know what you are doing and giving them an opportunity to bring a donation in if they wish. You could also get Church members involved by having the collection tin available at a Sunday service too.

**Top Tip:** This activity could be co-ordinated and delivered by the Company / Senior members and used as an activity to work on as part of the 'Fundraiser' Staged Award.

## IDEAS TO TAKE THIS FURTHER...

Consider completing one of the other activity cards that also helps groups to respond to the situation in Ukraine.

## KEEPING EVERYONE SAFE

Please ensure all fundraising activity is properly planned and risk assessed.
