

THE MISSING PIZZA SLICE

Below are 8 pizza slices. They all appear on this puzzle the same amount of times - except one. One pizza slice appears one less time than the others. Which is the missing pizza slice?

THE MISSING PIZZA SLICE SOLUTION

Below are 8 pizza slices. They all appear on this puzzle the same amount of times - except one. One pizza slice appears one less time than the others. Which is the missing pizza slice?

All the slices appear 5 times, except the circled pizza slice. This only appears 4 times.
