

### **Motion to Brigade Council**

The purpose of the motion is to join together the England & Wales Regions within the Brigade structure. This will enable the Regional Committees to join together and eliminate duplication of meetings.

The BB in Wales identity will be retained as this will continue to fulfil the functions of a Battalion and District.

To enable this change Brigade Regulations will be required to be updated.

The motion sets out the changes required to Brigade Regulations and is proposed in the name of the Brigade Executive.

#### **Motion Wording:**

1. That Regulation 56 be amended by (a) amending Regulation 56.1 to read “England, Wales, the Isle of Man and the Channel Islands”; (b) deleting Regulation 56.4; and (c) renumbering Regulation 56.5 as 56.4.
2. That Regulation 70.1 be amended by (1) adding the words “and Wales” after “England” in clause (e) (ii) and (2) deleting clause (e) (iv) and renumbering clause (e) (v) as (e) (iv).
3. That Schedule A be amended by renaming “England” as “England and Wales” and adding to the listing of Electoral Areas under that amended heading
