If you have a passion for supporting and nurturing potential, so do we...

Thank you for your interest in joining our staff team.

For over 140 years, The Boys' Brigade (BB), an international Christian youth organisation, has been providing opportunities for children and young people to learn, grow and discover in a safe, fun, and caring environment.

BB Companies (groups) meet in communities across the country, supported by dedicated volunteer leaders giving their time and skills every week.

Our groups are at the heart of the outreach work taking place in churches to empower, engage, and transform lives in local communities.

None of this work would be possible without our small but dedicated team of staff supporting the work of our volunteers.

Thanks again for your interest in what we do, and we look forward to receiving your application.

Jonathan Eales
Chief Executive

"BB offers a space for young people to find out who they truly are in loads of different ways and does it better than anyone else"
